### Procedures Acknowledgment a Form

Dear Parent,

Research tells us that the product of consistent implemented systems is a safer place for students to learn. The importance of such an environment has been a long-standing value of EFWMA. A safe and orderly environment promotes a positive school climate and high expectations for behavior and learning.

The EFWMA Handbook is published to outline these expectations. The School wants to assure and protect the rights of all students in a safe, orderly, and educationally efficient environment by releasing the School from disruptions that result from inappropriate behavior and interruptions. The School solicits your cooperation and partnership to provide the best possible learning environment for your child.

The EFWMA Handbook, including the Student Code of Conduct, other procedures and policies have been developed through the cooperative efforts of our school community, our school counsel, and the school board. It is extremely important that EFWMA students are aware of EFWMA expectations. We support each parent as they encourage their child to follow the standards outlined in the EFWMA Handbook.

Your signature acknowledges your receipt of the EFWMA Handbook and your commitment to follow the instructions contained herein. All policies, procedures and handbook will be published on the school website at [www.efwma.org](http://www.efwma.org)

My signature below acknowledges that I will read all policies, procedures and handbooks on the school website. I understand it is my responsibility as a parent to review all information and content published online.
