

Good Morning,

I hope all is well, thank you for reaching out. We will bring with us a folder of our revised plans, the MOU signed with Williams, just in case there are updates we need to be aware of, and the procedures for reuniting parents. Do you foresee the meeting going over an hour or an hour and a half? We have events this week and there are loose ends we need to tie up and trainings we scheduled earlier.

In attendance for tomorrow's meeting:

The Neighborhood Police Officer - Office Nelson will be in attendance

Ms. Keisha McNatt - Superintendent Secretary

Ms. Aida Aguilar - School Operations Manager

Ms. Yadira Moreno - ESL Coordinator & MTSS coordinator

Ms. Renne Moak - Current VP, Rising Principal School 22-23

Ms. Shello Tabb - Current Principal, retiring at the end of the year

Mr. Alonso Cruz - Facilities Manager

Mr. Javier Aguilar - Computer Science Teacher and IT

Ms. Sukai Durosimi - Superintendent

There are no food allergies, I am aware of or that has been communicated to me.

Will not be in attendance:

Mr. Mike Short - Guardian Response Tactics (he has training this week)

Fire Chief - Station 20 (waiting to hear back)

Respectfully,

Mrs. Durosimi
