Hello board members, I've posted a letter on COVID. EFWMA has suspended parent engagement workshops, field trips and after school activities till further notice. We will also be a closed campus. According to TEA parents can choose not to bring their kids and it will be excused. Based on the number of kids absent we can apply for a waiver. I've left messages at TEA because I'd like to know the threshold for absence. This week everything and every space was deep cleaned, we will continue to do so next week. Front office staff will have on protective gear for parents who need to conduct business in the front office. I will send updates as I get them from TEA.

MAR 12, 5:43 PM

Sukai Durosimi

Hello Board members, I've added updates in the Board classroom. There is information on how to log into the Zoom meeting on Tuesday, there is information on EFWMA's plans to provide academic services, we are still flushing it out to be ready on Monday. In fact our staff members are giving up 2 hours of their Saturday to be trained Online using different platforms. I also have a document in the Commissioners updates. I'll add updates everyday after our phone conference with him.

Good Morning, EFWMA went live at 9am with direct teaching online to our students. Yesterday, Ms. Tabb and I were in school for 6 hours scanning materials for teachers. Our teachers didn't ask yesterday teaching parents and students in trial runs. Parents without technology will be given the options to PO ick to packets on a first come first served basis. If not, they can copy or print from Google Classroom. I'll d teaching a class today just so I know what my staff is dealing with. We've put in place a code of conduct for online teaching. We could have easily sent out links to our families but it makes sense for us to follow our calling and gift to teach, especially when it matters most. We are scared but we are rolling with it. We've also partnered with daycares to teach our students and any other kids who wants to join in. On Friday's teachers will

take a break and specials teachers will teach, we will have STEM hour. We are also proving SEL for students feeling anxious snot their parents going to work or loosing their jobs. I need the board to reach out to EFWMA staff too give them encouragement. We've been at this since Saturday. Some schools bigger than us with more resources are not doing what we are doing. I plead with you reach out to them trust or post something incredible to lift them up. Thank you, Mrs. Durosimi

Sukai Durosimi

Hello School Board Members, we finally have a date for Lone Star Governance Training. It's July 30th to August 1st, it's 2 days, From 9 am to 6 pm. in the dining hall at school. This is the only time Mr. Latham has. We will social distance with masks on. Food will be provided. This training is required by TEA for boards to develop student outcomes through a continuous improvement framework. It's very important the board makes plans to attend this training. Please acknowledge this information as soon as you read it. Ma. Yarclay will send information on it tomorrow.

JUN 22, 12:24 PM

Good Evening Board members, a gentle reminder that our July Board meeting is Tuesday July 28th, 2020. Please be sure to call in our login bc there are several important waivers/TEA guidance to approve before we can reopen school. Our Smart Start for struggling students forces us to reopen August 3rd for 1/2 day which also counts towards our Additional School Year Calendar. The board agenda for July is still a work in progress due to the amount information I receive. However, I will post our calendars for you to review. We have 3 tracks, one for Pre-K, another for K-5 students who are not struggling and another for K-5 students who are struggling. It's a labor of love but we know that filling in the gaps and providing a nurturing environment for our students. I will post the calendars shortly. Thank you and have a safe 4th

JUL 3, 6:00 PM

Sukai Durosimi

Calendars are posted along with are recovery plan we tabled last meeting. The recovery plan is about 15-20 pages long, I want to give you enough notice to review it. I'll also post the resolutions needed for school to reopen its about 7 pages long. Our July topic is in the Board classroom, Click in Classwork, scroll to the very bottom of the page bc it's in order, July 2019-2020. I'll post the Board agenda but please

note it's not final bc things change every business day and I'll make adjustments as information flows in.

JUL 21, 12:39 PM

Sukai Durosimi

Hello Board members please read the information posted in the Google Classroom, there is a form in your EFWMA you have to sign. Please be sure to sign on the color that matches your name. There is a board meeting next week Tuesday it's rather lengthy but it can go faster if you read the information in the classroom. Respectfully Mrs. Durosimi

JUL 25, 6:51 PM

Sukai Durosimi

Good Afternoon, this will be the ramifications if we do not complete the up coming training. The message below is from the trainer at Region 11

Oh no- do we need to reschedule? If the entire board and you do not complete the full, two days, I cannot make the recommendation to TEA, for LSG-certification. The other board members will have 60-days, to complete a LSG workshop, to allow the entire board to be designated as LSG-certified. With CoVID, I think our session is the only one scheduled throughout the entire state of Texas.

JUL 25, 7:40 PM

Ms. Gail-Barnes

Well, that is unfortunate. I do not wish to hold up the entire board. I guess I am forced to step down. I can not make the training.

Oh wait! I am not the only one who can not attend? I just saw your email.

Ms. Burns

Ok mail slow tkx

EFWMA Board members thank you so much for your commitment to the Lone Star Governance (LSG) I'll send an e-mail by the end of the day explaining your commitment to LSG. Please know I appreciate your commitment as you take

time away from your jobs and family to support the goals and growth of student outcomes at EFWMA. In the email I'll explain your time commitment to LSG for future planning. This is not a yearly commitment, once we have all these things in place the board will be in a better place to guide my focus and work to lead EFWMA. Stay tuned for my email this evening. Good Morning Board members I'd like to propose we have our board meeting on September 15th bc it gives me more time to get everything from our training on the 12th on the board agenda. I also have a meeting with the staff to discuss the 5 year goals this Thursday. To have a meeting on September

8th wouldn't be meaningful. Please let me know what you'd like to do. Thank you and have a great day!!
