Good Morning EFWMA board before I log of this phone to conserve my battery I want you to know that teachers have reached out to students in many ways due to blackouts.

Inclement weather may force us to stay tenor learning till the end of the week. I currently have no electricity or heat and this battery is now at 5% so I have to shut down.

Good morning EFWMA Board I'll be adding items last minute to the board classroom for you to review. It's information on construction. The construction company and the adjuster were able to come to an agreement on the order. I want to make sure I get it to the board today bc we really need them to start ASAP for phase 1 to be ready by Sept. Allow an hour or so for me to upload. Please review these documents

EFWMA board, there is a change of plans. I'll be asking you today for a date this week to call an Ad Hoc meeting to discuss everything related to the construction. There are a lot of moving pieces that I want to take care of and I also need today to talk to the consultants, insurance and bank about numbers. I do not want to overwhelm the board or myself with the amount of information that needs to be presented.

Also Mr. Gene Zhu with Dynamic Solutions will be presenting the financials today, Ms Mayra is ill. See you at 6 pm

Good morning Board, a few responses to the questions asked: 60% of Rockworth subcontractors are minorities, 40% black, 20% Hispanic. He is concerned that his bid has been made public. The adjuster advised that he spoke to Rockworth and he has submitted his paperwork for the insurance check based on the bid agreement. If he cancels his request it puts us further back in line due to processing wait time and he is concerned that with rising prices of materials we may have to cover the balance. I did contact the construction minority association and someone is coming in on Tuesday. I have to contact the lawyer bc Rockworth is concerned about making their bid public. I'll keep everyone posted we may have to do an emergency meeting on Monday.

Good Afternoon EFWMA Board Members our board meeting is next Tuesday August 10th at 6 pm. This meeting is to vote on items needing Approval and the preliminary budget. Please review the items in both folders because the approval list is long. On August 27th at 6pm we'll have a budget meeting to approve the 21-22 school year budget, LSG goals, and any other items.

We've found a recreation center that will host 5 classrooms comfortably. It's 15 minutes from the school. We are working on lease amounts and an agreement. I'll inform the Board about the agreement and location on Tuesday. Thank you for all your support as we overcome new challenges
